

## Laghetto del Paì, Cazzago San Martino, IT

Cazzago San Martino, Italy

Type: Landscape

Location: Cazzago San Martino, Brescia, Italy

Year: 2004

Cost: 350.000 €

Phase: Built

Team: SdARCH Trivelli&Associati, Francesca Oggioni, Giuliana Gatti, Andrea Cassone

The project of landscape rehabilitation of the Paì Lake is the continuation of the winning design of 2000. The inclusion of new requirements and implementation of more widely systems of constructed wetlands and ecological engineering allowed to improve the accessibility and usability of the site.

The new plant systems included are chosen to meet the traditional agricultural landscape with a drawing one due of the introduction of new crops.
