

San Pietro Resort, Ishem AL

Ishem, Albania
Type: LivingSpace
Location: Ishem, AL
Year: 2015
Client: Orion Construction.
Cost: 5.000.000 €
Surface: 7.000 m²
Phase: Concept
Team: SdARCH + Ardit Jonuzi

The design proposal is for a new resort along the coast of north Albania. It starts from a topography reading design with building types (4) connected one to each other to a second solution with variants (6) of a single type of villa (30) that build up a system as a village.
